Santa Claus is a busy gentleman these days, but he found time to make a stop in Stanhope Township last week and was rewarded for his efforts by this lad. He plants a kiss on St. Nick's nose and receives a specially wrapped gift in return. The occasion of Santa's visit was the annual Stanhope firemen's Christmas party for youngsters and seniors. While the children enjoyed meeting the man in red, the seniors were entertained with dancing, a carol sing, a tea and a special gift from the jolly man as well.

Supreme Court quashes Stanhope by-law

At the regular council meeting held in Stanhope township on Wednesday December 7, Clerk Gerald Bain read a letter from the municipal solicitor informing Council that the Supreme Court of Ontario had quashed By-Law 80-19 that had been passed by the Stanhope Council in 1980. As a result of a judicial review the judges decided

that a township cottager had not received compensation for the closing of the road allowance adjacent to his property. Council had stopped up and closed the road allowance to vehicular traffic because of complaints by a neighbour and because the council felt that a rear entrance provided adequate access to the property. The Court found

no bias on the part of the council but ruled that the road allowance had provided an historical and convenient means of access and that the rear entrance did not provide sufficient access.

Other business

In other business Council agreed to increase the

Colleges face challenges Pascal tells meeting

Ontario's Community colleges are facing a future full of challenges and change. That was the message Charles Pascal, president of Sir Sandford Fleming College, brought to a luncheon meeting Thursday at the Wig-A-Mog Inn.

In planning for the future, the president told the gathering, his college is interested in the ideas and concerns of the community it serves, which includes Haliburton County.

Pascal described how the 1980's had become, what he called, the "decade of accountability". He told the meeting, "There is a great deal of pressure on the college to do what we do well. We must demonstrate that we can."

He noted that in the past too much energy was being expended on complaining about the cutbacks in funding rather than finding creative ways to meet that challenge. He said the colleges of the province, and all institutions of learning would have to learn to live in a "six and five world".

"The recent downturn in the economy has resulted in an upturn in enrolment at the college," he told the group. A large portion of this growth has been the result of individuals returning to school from the workforce. "This college is a new opportunity institution for those requiring retraining or updating," he noted.

Pascal said that Sir Sandford Fleming College had achieved a seven percent growth in efficiency each year for several years. For this improvement to continue into the future, however, he noted that creative and constructive planning is needed.

He told the gathering that the college had established a strategic planning committee which was examining the options for the college five years into the future and beyond. That examination is based on the premise that the college should provide the highest quality education possible to the greatest number of people.

He cautioned however, "the college can not be all

things to all people." He said the college had to concentrate on its strengths. He listed the school of natural resources, the centre for integrated manufacturing, greater emphasis on hospitality training and tourism and the soon to be started school of criminal justice as four areas of concentration.

Pascal also paid special tribute to the Haliburton Highlands School of Fine Arts, sponsored by the college and based in Haliburton. He said the school was an important institution "for today and tomorrow". He said the school provided individuals with an opportunity for a life-long learning experience. "I was thrilled to walk into a classroom at the high school during the summer," he told the audience, "and see a surgeon from Toronto carving a decoy. Not only was he learning to do some-

thing different with his hands, he is enjoying an interesting change from his regular work and sharing the relaxed atmosphere with his family."

The college president said this sort of opportunity should be enhanced.

Pascal called on the audience and those throughout the Highlands to assist the college in charting its future. He said there was a greater need for informal dialogue. In response to this need he said the college must improve its communications with the people it serves, both in telling them about the goals, but also the results of those efforts.

He asked the community to provide suggestions on how the college could reach its goals in times of restraint. He suggested that inter-

Anson, Hindon and Minden Reeve Lyle McKnight receives the Haliburton County chain of office from secretary-clerk treasurer Win Lahay during inaugural ceremonies Tuesday night. McKnight was chosen by a unanimous vote, to be the county's next Warden for 1984. He was unopposed for the office.

Survey shows drug, alcohol problems serious in County

As a result of a recent survey conducted by the Ontario Addiction Research Foundation, among students from grades 7-13 in schools throughout Ontario, it was estimated that alcohol is used by 75% of the students. Cannabis has been used by 30% of the students and 21% of the students have taken stimulants or barbiturates.

These statistics came to light at a meeting of the Committee for Alcohol and Drug Education (C.A.D.E.) The meeting held at the Drag River Municipal Building last Friday was attended by over 40 people. The guest speaker Mr. Randy Walsh, a Drug and Alcohol Councillor from Canadian Forces Base, Trenton, presented a film "The Chemical People" that was produced by the P.B.S. television network. The film featured interviews with students who had drug problems, and their parents. It underlined the problems created by denial both in within the family and the community. The fact that

many people would not admit that problems with drugs are very prevalent in our society was shown to be a major factor in the epidemic of drug abuse. The film emphasised the fact that young people think that doing drugs is normal and that non-users are pressured by their peer group to conform by experimenting with drugs. The film also emphasises that parents who blame other teenagers or the school system are denying their own responsibility.

Mr. Walsh told the meeting that after the film was shown in the Quinte area of Ontario a number of task forces were set up by volunteers to deal with the problem of drug dependency.

Patrick Cavanagh who spoke on behalf of C.A.D.E. said that his committee wants to set up a similar task force in Haliburton County.

The Committee is seeking new members to assist it in setting up an assessment service for people who want information on drug related problems or professional

help for family members with alcohol and drug problems. It was also noted at the meeting that people do not have to be experts on drug addiction to set up task forces in the community.

Wally Newcombe who also spoke at the meeting revealed that as a result of a survey conducted in this area, it was found that there are nearly 140 chemically dependant people in the community. He added that since each of these individuals affects five other people (such as family members), approximately

(more on page 6)

Roy Windover, left, and Larry McKnight, right, were recently elected to the Ontario Progressive Conservative Association riding executive. Dave Murray, centre, was elected the organization's president. McKnight will serve as vice-president. The election was held Thursday in Bobcaygeon. For more details see story on page 7. (Photo by Judy Lough).

Stanhope council

(from page 1)

honorarium to township firemen from \$150 annually to \$250 annually.

During a report from the by-law officer Jim Moore councillor Dale MacDonald requested clarification of the laws regarding the use of rough lumber in building construction. The by-law officer stated that under provincial law, lumber used for residential or commercial structures does not have to be placed but must be graded to ensure the material is structurally sound.

In further business a township resident addressed the council with the suggestion that council should spend more effort in promoting the township. He suggested that booklets and maps pointing out local attractions and activities should be distributed through local stores. He also felt that "Welcome" signs should be posted on the township boundaries and that an official flag or logo should be created for the township. Deputy Reeve Elgin Stouffer agreed that "Stanhope Township has more points of natural interest than any other township in the county."

As a result of a proposal by the Deputy Reeve the council passed a resolution to approach the Board of Education in order to set up a contest within the school system to design an official

logo for Stanhope Township. A prize of \$100 will be awarded for the best design.

After examining five

tenders for mobile radios council decided to accept a quote of \$4620 from Carlyle Electronics. The radios will be used by the Roads Department and the by-law enforcement officer. The purchase of the radios is subject to the approval of the Ministry of Transportation and Communications.

College challenges

(from page 1)

institution, both learning and private industry, co-operation is needed so the college could reach its goals. He noted that one of the biggest challenges of the future will be how the college deals with the expected increase in adult and senior students who are expected to swell the ranks of the students.

In conclusion, Pascal paid tribute to the individuals who had served as on the college's board of directors as well as the Northern Campus. He said it was a result of directors such as Lorne Coburn, Elgin Stouffer, Carole Finn and Doug Hodgson from this area as well as the dedicated instructors and back-up staff that the college has achieved the success it has.

HO! HO! HO!

SANTA CLAUS

is coming to Minden

Saturday, December 17

Santa Claus will be on hand to greet children (of all ages) from 10:00 a.m. to 11:30 a.m. and 1:30 p.m. to 3:00 p.m. The jolly old man will be hearing Christmas wishes in the former drug store next to Vasey Insurance. Free treats for the children. Parents are reminded to bring their cameras.

Santa's visit is sponsored by the Minden Business Improvement Area.

Batiks, watercolours featured in show

Reeve Lyle McKnight brings greetings from the municipality during the opening of the latest show at the Agnes Jamieson Gallery in Minden. With him are the artists whose work is on display, Audrey Grant and Mary Wallace.

On Thursday, December 1 Reeve Lyle McKnight officially opened an exhibition of water colours and batiks at the Agnes Jamieson Gallery in Minden. The exhibition features the art of Audrey Grant and Mary Wallace.

Audrey Grant began studying painting when she was 12 years old and later attended the Ontario College of Art on a scholarship. After graduating Audrey worked in the commercial art field in Toronto and New York. Throughout her working career Audrey continued studying and painting in the United States, the Maritimes and Ontario. Although Audrey has worked in other mediums she prefers water colours, commenting that "water colours suit my temperament and it is also a practical medium for my work, most of which is done outdoors."

Audrey divides her time between her home in Toronto and her cottage on Lake Kashagawigamog.

Mary Wallace who grew up in St. Thomas, Ontario, graduated from The University of Western, Ontario in 1971 with a Bachelor of Fine Arts. After spending five years in Brantford where she taught school and managed an art craft workshop, Mary moved to the Minden area and continued teaching at The Haliburton School of Fine Arts.

Besides painting Mary weaves, works with pottery and is well known in the county for the thousands of batiks that she has created. After discovering that the dyes that she was using for silk painting were toxic, Mary began working with water colours and now considers it to be her favourite medium.

The works shown at the gallery feature rural scenes of the Haliburton Highlands as well as series of wild flower paintings. The exhibition continues until January 9th.

Eakins garners support for museums

During discussion of the Estimates of the Ministry of Tourism and Recreation, Victoria - Haliburton M.P.P. John Eakins, won support for the retention of the Kanawa Museum in Haliburton. Mr. Eakins has often commented that Haliburton should not lose this attraction simply to satisfy a consulting report favouring a larger urban area.

Mr. Bob Brock, Director of Tourism Development, assured Mr. Eakins that he would support the proposal to try to ensure that it stay in that area.

Mr. Eakins said, "With the support of various ministries and the municipality of Anson, Hindon and Minden, among others, Haliburton County has become a focal point for the International Canoe and Kayak Championships. The Kanawa Museum should rightfully remain in Haliburton County."

Paying tribute to volunteers

It is important for a community to pay tribute to individuals who make special contributions to its well-being.

Such was the case recently in Stanhope Township, when the council formally conferred the title of citizen of the year upon Art Hunt. Mr. Hunt had made numerous contributions to community, especially for senior citizens.

The Minden Curling Club also singled out one of its members recently for special appreciation. Herb Gill was thanked formally for his many volunteer hours of service to the club.

At a recent Christmas gathering, the municipality of Anson, Hindon and Minden feted staff and community volunteers as a way of saying "thank you" for their contribution.

These are just some examples of ways citizens have been recognized for their contributions. While it is important to ensure individuals receive recognition for their efforts, the process also provides others in the community with an example to emulate. It shows that there are people in the community who are willing to contribute their time and talent to make it a better place in which to live. And it encourages others to get involved.

Hats off to those who were honoured and to the others who follow in their footsteps.

coming up

Thursday, December 15 - C.H.A.C.E. Place Christmas Party will be held 10:30 a.m. to 1 p.m. Bring a gift for your child under \$3. Santa Claus will be there to hand them out.

Saturday, December 17 - Christmas Dance at West Guilford Recreation Centre, 8 p.m. Band is Country Rebels. \$8 a couple. Everyone welcome.

Saturday, December 17 - Come see Santa at the old drug store on Main Street Minden (next to Vasey Insurance) 10 a.m. to 11:30 a.m. and 1:30 to 3:30 p.m.

SECOND CLASS MAIL REGISTRATION NO. 0936

A new ombudsman

-by John Eakins, M.P.P.-

A world-recognized expert on human rights and civil liberties, Dr. Daniel Hill, has been appointed Ontario's fourth Ombudsman. He has pledged to protect "the little person (who) must be cared for, must be looked after just as well as others with more power."

Dr. Hill is a sociology professor and will take up his post in February. At present he is a consultant to the Bermuda Human Rights Commission, and he was the first Chairman of the Ontario Human Rights Commission between 1971 and 1973.

His new appointment he

regards as "an incredible challenge for a person who has worked in human rights and civil liberties."

Opposition members praised the appointment of Dr. Hill. My colleague and Leader, David Peterson, said public perception of the office of the Ombudsman must be improved and cases must be dealt with more quickly.

I have served on the all party Ombudsman Committee for a number of years. A great deal of work has gone into the creation of this office. Arthur Maloney, Q.C., was Ontario's first Ombudsman. While there was some criticism of the size of the office initially, I personally believe that Mr. Maloney took the wise course and firmly established this office in Ontario, and as a result, it is best known to the people than any other Ombudsman's office anywhere in the world. Rather than simply building this new office slowly, Mr. Maloney firmly established

Federation of Ontario Naturalists

There's a new actor on the political stage these days. Called the Green Party of Ontario, it wants to win public support for a program that avoids traditional left-and-right-wing ideologies and concentrates instead on making peace between human nature and the natural environment.

That's an ambitious political agenda. But it's no surprise that two decades of global concern for the environment should spawn efforts to win elections with an "ecology" campaign. And the approach had already worked in other countries. The "Greens" as they're known in Germany, recently won a significant number of federal seats there.

Although the Ontario party has no direct affiliation with its foreign counterparts, the same principles underly its fledgling organization. According to Party spokesperson Dr. Trevor Hancock "the major distinguishing features of ecological politics are a strong commitment to living in harmony with nature and humankind, action based upon a long-term, global, and holistic analysis of our problems, a high degree of decentralization and the development of small-scale local solutions to our global problems, and rejection of the mistaken faith in unbridled economic growth as the solution."

Of course, it's a long step from this kind of all-encompassing goal to a focussed election strategy. The party has yet to hammer out concrete policies or build a record of successful involvement in the issues it has ranked of most concern, such as nuclear disarmament and resource depletion. But true to their motto "Think Globally, Act Locally" party members are looking to begin work on these concerns at the municipal level, across Southern Ontario.

It's a little early to predict defeat for mainstream political parties at the hands of this new movement. In fact the reality of the Canadian political environment already taught the Greens to move slowly. What was billed as the founding national convention in Ottawa a few weeks ago, fell apart at the seams because delegates from different regions could not work together. Whatever its future, the Green Party of Ontario may prompt more serious debate on environmental issues in future Ontario elections. That can only be good.

letters letters

Editor:

As 1983 nears completion and we reflect on the past year, we wonder how the world will handle its many crisis and even if it will survive them. I would like to offer my personal note of optimism.

Having spent considerable time with the elementary school students, throughout the County, and having recently participated in the secondary school Career Week, I cannot help

but be so very favourably impressed by the caliber of our young people.

If the youth in the rest of the world possess just half the imagination, the understanding, the warmth and intellect as our Haliburton County students, then we owe it to them to keep the world together until they can take the reins. When that time comes, I'm sure, our future will be secure.

John Eakins

it and I feel it was a very wise decision.

Hon. Donald Morand was the second office holder, and he also played an important role. He acted to reduce the case load and to make the office more accessible to all people in the province, especially in northern Ontario.

Dr. Hill has an excellent record and background and I have no doubt he will serve this great office with distinction, and will leave his own imprint upon it. I wish him well.

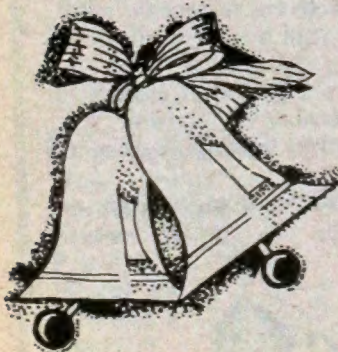

Deputy Minister resigns

The ongoing controversy about the Deputy Minister of Government Services culminated in his resignation.

He has been the centre of a storm of criticism at Queen's Park, and when the problems which had come to a head between him and his Minister became public last summer, it was the Minister who was fired by the Premier. This man had given the go-ahead on more than \$700,000 in contracts without government approval, violating spending guidelines.

My colleague, Sean Conway, expressed his disgust with the man, saying "He's unrepentant ... he has no apologies ... there's been a corruption of the fundamental principle of responsible government ... and in some ministries the Minister is but an ornament who can be dismissed at the whim of the Deputy ... And the Premier, when given the choices, stood by a free-spending Deputy Minister who broke all kinds of rules ... and sacked a Minister who was trying to keep spending in line."

Upon the resignation of the Deputy Minister, the Premier promptly announced that he would give him another job - an action strongly criticized by many. Where there is repeated and intentional misdemeanor, there must be discipline ... It's vital that clear and incontrovertible signals be sent out that this behaviour is unacceptable. The Premier maintains that the Deputy Minister's resignation is the end of the matter. I hardly think so.

from the chamber

"When the times are tough, the tough get going." Also the schemers start scheming!

We've heard and seen a lot of reports lately about how some people make a living off the gullibility of hard working folks like you and me. In the past few weeks the Chamber has received a number of phone calls questioning the authenticity of offers for discount vacations in Florida, mail-order advertising suggesting fantastic profits from working at home and have also heard about and seen street solicitations right in downtown Minden and Haliburton.

At this time of year, when we are all in the spirit of giving, there are a few out there in the spirit of getting. Before you shell out any of your hard earned cash, think twice. If in doubt, give us a call or better yet if you can spare that cash, give it to your favourite church or charity.

Good weather

The weatherman sure has been good to us this year. First, we had one of the nicest summers in memory and now it looks like we might be in for a wonderfully white winter. Let's hope so. Last winter was not the best for those who depend on snow for their livelihood. Let us be thank-

ful for "the white stuff" and when the skiers, snowmobilers, ice fishermen and others start arriving, tell 'em we missed them and let's show them a good time.

Gallery sale

Last weekend we paraded guests from "the big city" through the Rails' End Gallery Christmas Show and Sale. Everyone commented on the quality of work and the attractive layout. Those involved should be proud of a job well done. It's a great place to pick up last minute gifts or presents for those names on your "almost impossible to buy for" list. Nobody in our group left empty handed.

One place that is often overlooked when shopping for gifts are our local art galleries.

Minden show

The show at the Agnes Jamieson Gallery continues in Minden featuring a colourful array of water colours and batiks. The art is the work of Mary Wallace and Audrey Grant. This is a show you shouldn't miss as it features many scenes from the Haliburton Highlands. The gallery is open daily. Call 286-3763 for more information.

C.A.D.E. committee

(from page 2)

700 people in the county are directly affected by drug and alcohol related problems. He noted that this is a conservative estimate.

Victoria - Haliburton M.P.P. John Eakins complimented the committee members for their efforts in dealing with drug related problems and offered to send a report on what funding is available for an assessment service through the Ministry of Health. He commented that "it is alright to talk about our liberties and freedom to use alcohol, but we have to consider those who are adversely affected."

C.A.D.E. will be meeting again on Friday, December 15 at the Drag River Municipal Building in Haliburton. The film "The Chemical People" will be shown at 11 a.m. followed by a sequel dealing with the creation of task-forces in cities in the United States. Anyone interested in the problems of drug dependency is invited to attend, particularly those people who wish to assist C.A.D.E. in setting up an assessment service.

The Rotary District 701 Governor, Eric Nieminen and his wife Raymonde, left, visited a recent meeting of the Minden Rotary Club. He was greeted by Minden club president Bill Obee and his wife Penny, right, and by exchange student Helen Lowe of New Zealand and the club's next outgoing exchange student Greg Pearson.

Christmas tree safety tips

by William Jackson,
Fire Chief

A happy Christmas can change in a few moments into a family tragedy, warns Fire Chief Wm. Jackson, in homes where fire safety precautions are neglected. Such precautions should head the list of every sensible family's preparations for Christmas, he says.

The Fire Chief urges the

public to exercise special care in the setting up and decoration of Christmas trees, and draws attention to the following important points:

If plans call for a natural tree it should be bought fresh and green, and kept outdoors or in an unheated garage before being brought into the home for decorat-

ing. Then, one or two inches should be cut diagonally from the butt, and the tree should be set up with the butt in water which should be maintained above the level of the cut.

Check strings of electric lights carefully for worn insulation, broken plugs or loose bulb sockets. Only CSA-approved lighting sets

and only non-flammable decorations should be used. Declare the tree a no-smoking area and keep matches out of the hands of children.

Do not allow discarded gift wrapping to accumulate under the tree. Even a green tree will burn if ignited by burning paper around the base.

Are your hard-earned dollars going up in smoke?

Then take a few minutes now and discover how adding electricity to your oil furnace can dramatically cut the cost of heating your home.

If your oil furnace is in good condition, but you'd like it to run more economically, a dual-energy system combining oil and electricity may be just the answer. In fact, depending on how much electric heat you add, and how you operate your system, you could use as little as one tank of oil for an entire heating season!

For example, an electric plenum heater or heat pump, will reduce the amount of oil your furnace uses by up to 75%. In addition, a heat pump provides air conditioning in the summer for economical year-round comfort.

If your furnace does need replacing, an electric furnace or one of the other electric systems can heat your home cleanly, efficiently and economically.

If you'd like to know more about dual-energy and all-electric systems, write to Ontario Hydro, 620 University Ave., 4th Floor, Toronto M5G 1X6, and ask for our free booklet "Electric Heating Options for Your Home."

The few minutes you take now could add up to big savings this winter.

Go Electric 

No riding is safe Pope tells P.C's.

There is no such thing as a safe riding said Minister of Natural Resources Allen Pope as he spoke at the annual meeting of the Victoria - Haliburton Provincial Progressive Conservative Association.

While speaking to the membership at 8 p.m. last Thursday in Bobcaygeon, Mr. Pope said he had to be back in Queen's Park by 10 p.m. for a final vote in the Legislature on the inflation restraint package.

A positive new story is

taking place in the Ministry of Natural Resources, said Mr. Pope, which involves the entire economy. All-time records he said have been made in matters such as assessment work on land claims; the second largest gold mine in North America has opened in Detour Lake; private sector dollars invested in projects such as wafer-board companies has reached an all time high and there is a staking gold rush taking place at Sturgeon Lake in northwestern Ontario.

Public Input

In discussing his Ministry's strategic land use planning program, Mr. Pope said 184 open houses were held across the province whereby residents of the province could review maps and voice their opinions and 10,000 people attended. Another 10,000 people wrote letters and 7,000 attended regional forums.

"We need you to initiate new policies and we respond," said the Minister,

adding that the role of the public is to "keep the government in line when we make mistakes."

Public stimulus is required in the private sector, said Mr. Pope and that can be achieved through a two way form of communication.

A Conservative provincial government, which started before he was born in 1945, can continue for another 40 years, said the

guest speaker who was first elected to the Ontario Legislature in 1977 and re-elected in 1981.

Conservatives select executive

by Judy Lough

Dave Murray, Reeve of Fenelon Township was elected as the new president of the Victoria - Haliburton Progressive Conservative Association at the annual meeting held last Thursday in Bobcaygeon.

Former Candidate

A past warden and the chairman of the Kawartha Region Conservation Authority, Mr. Murray has been actively involved in the local political scene and was the Victoria - Haliburton Progressive Conservative Party's candidate in the last provincial election.

Mr. Murray said the priority for the new executive "should, and will be an indepth study of poll workers in the riding." He said the executive must involve their "dedicated poll workers and the people they count on" in Association activities and meetings.

Executive

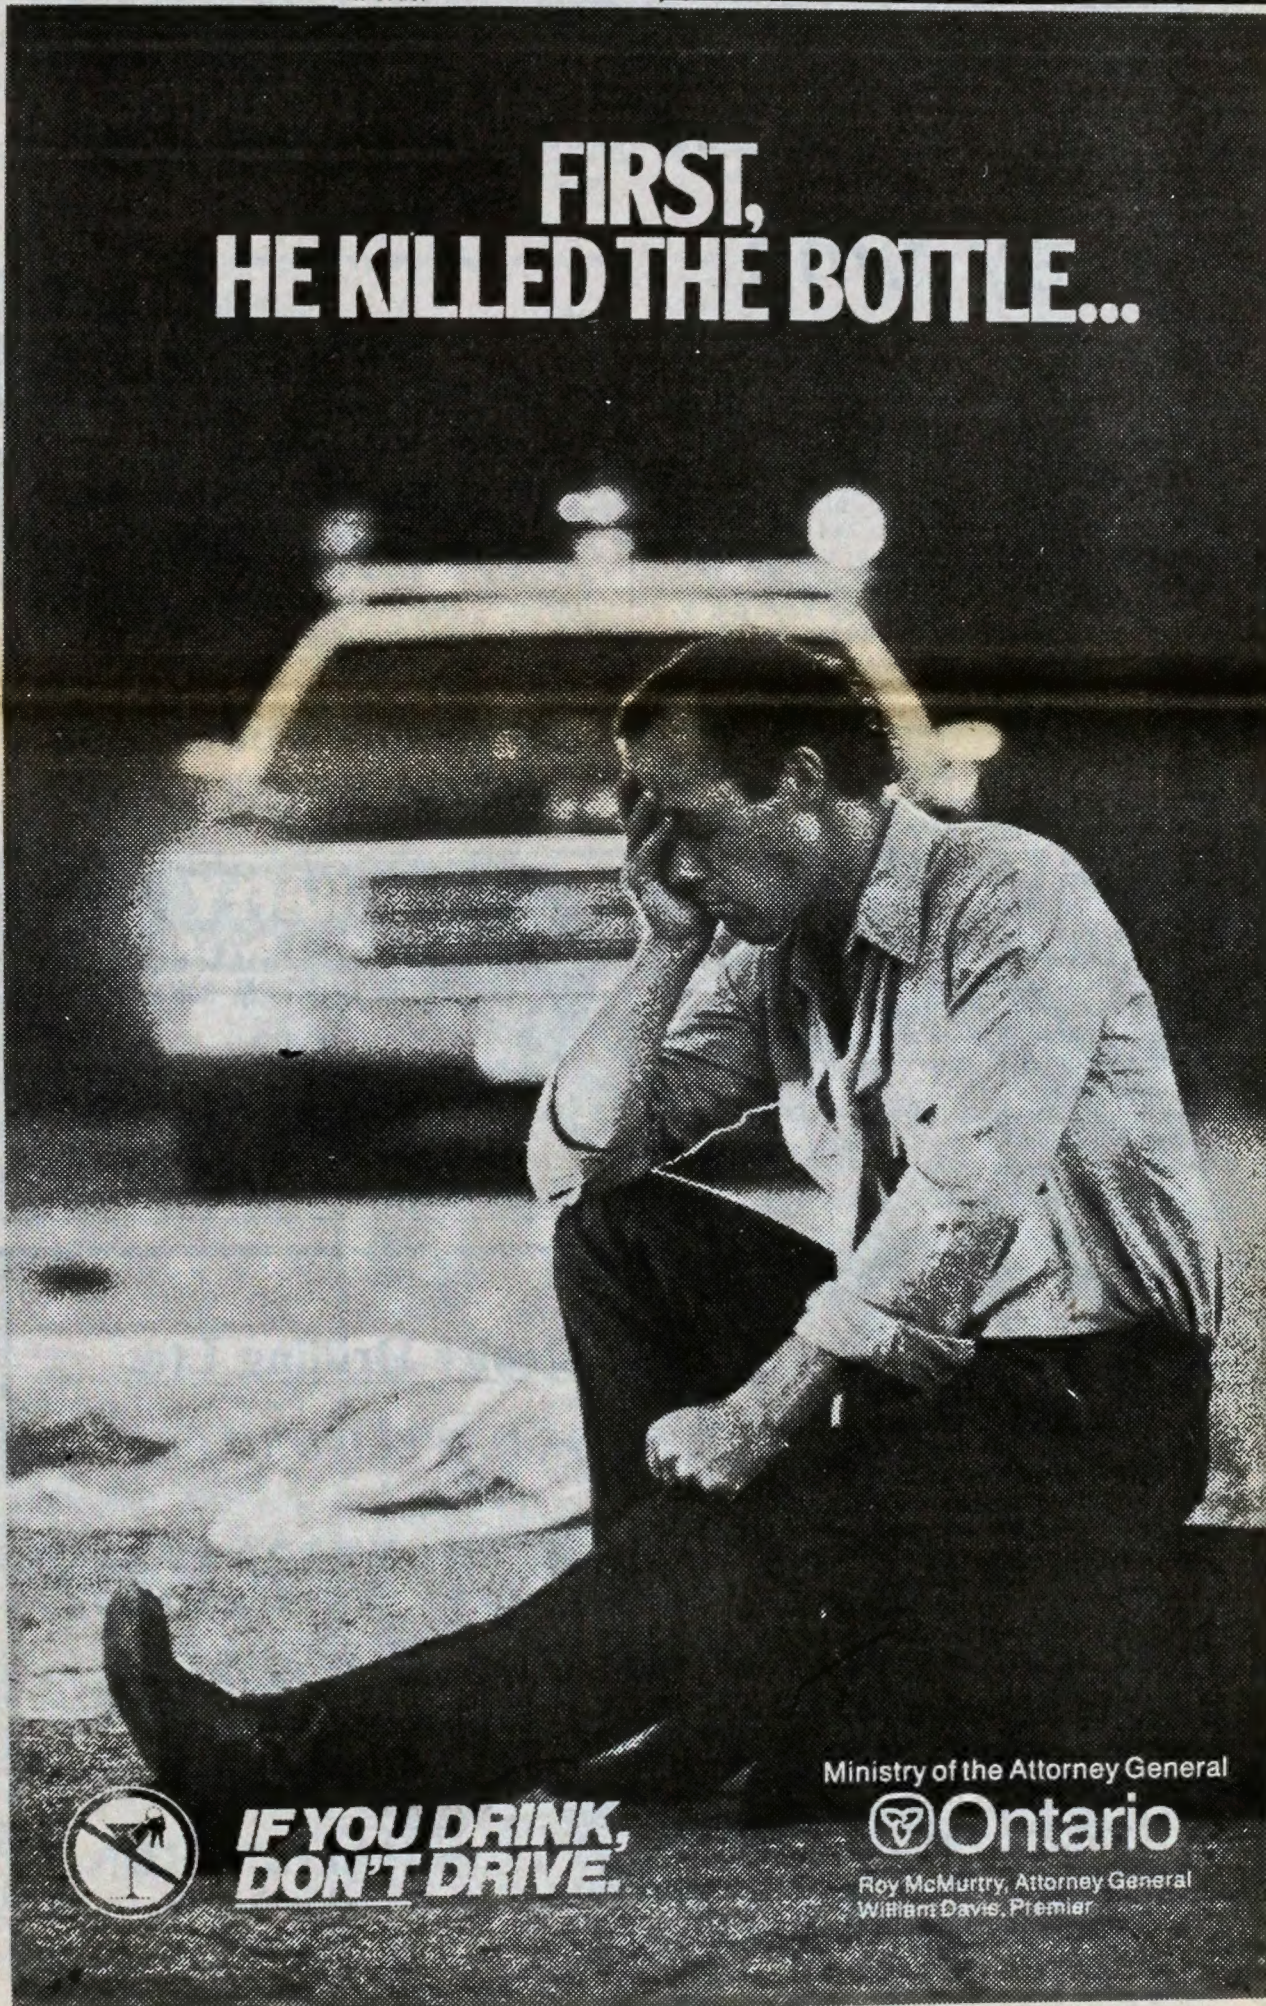

The new executive for the 1,300 member Association

includes: past-president, Art Dawson of Haliburton; president, Dave Murray of Fenelon Township; 1st vice-president, Larry McKnight of Minden; second vice, Lorne Chester of Lindsay; secretary, Monty Robson of Fenelon Falls; treasurer, Joyce Junkin of Bobcaygeon; constituency finance officer, Art Ward of Haliburton; and directors: Bud Stephens, Bolsover; Marina McLennan, Fenelon Falls; Greg Law, Lindsay; Claire Sisson, Bethany; Joe Illes, Haliburton; Ross Radway, Brechin; Roy Windover, Minden; Bob Nichol, Haliburton; Doug Fish, Oakwood; John Martin, Omeme; Nelson Davis, Omeme and Malcolm Gadway, Harcourt.

Past-president Art Dawson said his main goal as president was to reacquire Queen's Park with the

Victoria - Haliburton executive and this was achieved through numerous breakfast meetings.

Members of the United Church choir raise their voices in the song in praise of the Christmas season during a concert held recently at the church. The special carol service was one of many during December leading up to the celebration of Christmas.

A busy time

by Ernest Hills

This autumn has proven to be both a hectic and exciting time within the Association. We have provided some informative meetings, as well as instituting some radical changes to the structure of the organization. The inevitable, yet always seemingly abrupt end to the year becomes lost in the enthusiastic plans for the next, and reflections on yesterday are swept away in the hurried pace of tomorrow.

On Wednesday, October 19 the Haliburton County Farmers Association were invited to tour the new facilities of Louis DeKoker and Sons Custom Meat Processing Plant, in Lindsay. As in the past the membership was extended the special courtesy and hospitality of Louis DeKoker and his wife. Inevitably one remarks of the cleanliness, the efficiency, and the pleasant manner in which business is conducted at the DeKoker establishment.

The focus of the tour had been the processing of hogs through the abattoir, from the kill to the cutting and wrapping. Select cuts are specified for smoking, at the request of the recipient of the pork, and we were allowed to see the new smoker in action. We would like to express our thanks to the DeKokers for hosting this informative tour.

Amendments

On the snowy night of November 15 those in attendance at the general meeting of the Haliburton County Farmers Association accepted into being constitutional amendments which will forge an exciting and innovative program within the agricultural community of Haliburton.

The two-part program of the meeting commenced with a movie presentation and discussion on metric

conversion and how it relates to the farm. Mr. Barclay Craig of the metric commission kindly attended, having driven a considerable distance in terrible weather to explain the history and give some insights as to the future of the metric system.

Mr. Craig noted that inhospitable weather is often not nearly so disconcerting as the inhospitable gatherings he addresses. The weather on the 15th made for a poor turn-out, however we hope Mr. Craig found us an attentive group, as we appreciate his efforts to enlighten us.

The second part of the meeting centred upon discussion of a motion before the membership calling for the amendment of the Farmers Association's constitution, which had been previously ratified at the

The best little warehouse in Haliburton!!

Bernie Upton of the Hamilton Huskies returns to his room after being offered by the Parry Sound public Sunday afternoon. Upton picked up a rebound off the goalie and fired it past the netminder to give the Huskies a 5-3 victory over the visitors.

Huskies defeat Parry Sound 5-3

In their comeback victory, the Hamilton Huskies defeated Parry Sound 5-3 in a game played Saturday evening at Hamilton.

The Huskies opened the game appearing to have the edge in play. They were awarded on a number of occasions as well-placed shots connected with the goal post were snatched by the Parry Sound netminder.

With just 46 seconds remaining in the first period, Parry Sound scored.

The Huskies continued to press in the second period but Parry Sound notched another goal (1:40 into the period). Near the halfway mark the Huskies managed a goal as the puck was tipped over the sprawled Parry Sound goalkeeper.

Before the period ended however, as Parry Sound forward managed to return the favor, tipping the puck over the goal line. Upton who was scrambling to get back in net. The period closed with the visitors ahead 3-1.

In the third period, the Huskies started to click, with Barry Snow connecting at the 12:45 mark. Bernie Upton scored 1:40 later, and the Huskies were up 5-3.

Upton's goal was the result of a strong offensive performance by the Huskies.

Other game highlights included the Huskies' Scott Hamilton scoring a 4th period goal to give the Huskies a 5-3 victory.

puck talk

No report on the Novice and Atom divisions were received for this report.

The Wee:
Dorey Boyle scored Minto's only two goals as the Wee Wees were defeated 12-2 by Huntsville. The game was played Sunday in Minto.

Bantam:
The Minto Bantams mounted a third period attack but were unable to overcome the lead established by Port Carling and were defeated 5-3. The teams were tied at the end of the first frame with Derek Allison scoring from Gord Wood and Tim Elms.

However, Port Carling picked up three goals in the second period and another in the third before Scott Russell connected on a pass from Tom MacLeod and Gord Wood scored from Allison.

Jim Rendon was in net for Minto.

Juvenile:
The Minto Juveniles defeated Humphrey 7-5 in a game played Friday evening in Minto.

game played Friday evening in Minto. Scoring for Minto were: Walt Barry (unassisted); Scott Hamilton (unassisted); Doug Schell (from Barry); Vladimir Blane; Vladimir; Bob Edge (from Blane); Mike Carey; Scott Hamilton (from Scott); Mike; and Jeff Blane. Shots: Mike; from Kevin Hamilton; and Scott Hamilton; the rest of the evening from Scott; Mike.

Kevin Smith, in net for the first time, recorded the win for Minto.

The team travelled to Brudenridge Sunday and were handed a 10-3 loss. Scoring for Minto were: Shane Watson (from Scott); Mike; and Scott Hamilton; Watson again, from Hamilton and Mike; and Doug Schell from Bob Edge.

The schedule:
Saturday, December 17: The annual Floyd Mc Memorial Bantam Tournament. The action starts at 8 a.m. and continues throughout the day with the teams advancing to the consolation and championship series. The schedule for the first round of games

includes: Warm Minto vs. Hamilton; Warm Bantam vs. St. John's; and (Perryborough); 10 a.m. (Innocence vs. Bowmanville;

11 a.m. (Gibson vs. North Bay.
Sunday, December 18-4 p.m. Hamilton/Bantam vs. Minto.

Home defeats Hartwick 5-2

Home: Hartwick and the Rockville team Blower came victorious Monday evening in the Minto Minto Recreation/Hockey League play. Home defeated Hartwick 5-2 in a game played at Rockville. Shots: Mike; and Scott Hamilton; the rest of the evening from Scott; Mike.

Jeff Campbell scored a pair of goals for Home to lead the victory. Other Home: Hartwick goals were scored by Jerry Porter, Andy Campbell and Ted Wasy. J. Hartwell scored both goals for Hartwick, one unassisted.

Home: Hartwick was the big gun for the team Blower, netting four goals, three unassisted. Other goals were scored by Kim Hamilton, Dave Brown and Wayne Johnson with singles

and an unassisted player with a goal. Barry Walter and Mike MacLeod with scoring assists for the Hartwick effort. Also scoring singles were: Joe MacLeod, Wally Smith, Bruce Rogers and John Wilson.

The action continued on Monday with the first game scheduled for 7 p.m. Minto vs. Hartwick at 7 p.m.

Bowling scores

Bowling scores for last week received are as follows:

Monday Afternoon Golden Age League

Wes Stata is still hitting them big with a 735 (280, 251); Nancy Moore had a nice 633 (250, 203); and Maud Coulter 616 (213, 244).

John James had a 259 single and Mary Parozanin 211.

Starting the second series, the Crows have 20 points; Doves 15; Eagles, Owls and Robins tied with 12 and Budgies 10 points.

We need a few more bowlers to finish out our teams so if you're 60 or over come on out and get in on the fun. Call 754-2204 for information.

Tuesday Night Combines

First series winners, Don Burch's team "Pepper Pots" won with 38 points. Next in line were the Orioles 36, Red Devils 33, Beavers 29, Blue Jays 28, Top Choice 23.

High singles for men: Jim Hoster 327; Gunter Wolm

326; Don Burch 312.

High triples: Gunter Wolm 727; Don Burch 719.

High singles for ladies: Lil Gorveatt 281, Pearl Foster 275.

High triples for ladies: Lil Gorveatt 726; Pearl Foster 741.

High singles with handicap: Tina Kasulke 289; Helga Wolm 270; Minnie Dawson 265.

Vankoughnet Mixed

Team standings are as follows: Hangin' In 147; Nancy's Fancys 144; Snow Job 142; Tryin' Again 133; Southern Comfort II 129; and Smurfs Again with 120.

High averages for men and women are as follows:

Ron Robinson Jr. 252; Gord Everall 233 and Dave Bell 220. Mary Bell 197; Marnie Byrnes 191 and Marlene Robinson 188.

High singles men and women: Gord Everall with 373 and Audrey Fountain with 291.

High singles with handicap - men and women: Gord Everall with 369 and Alice Terry with 352.

High triple men and women: Ron Robinson Jr. 847 and Marnie Byrnes 745.

High triple with handicap: Ron Robinson Sr. 826 and Audrey Fountain 866.

Winners of A Series were Hangin' In with a total of 134 points. The team consists of John Stevens, Marnie Byrnes, Ruth Johnson, Janice Conway and Fred Balcombe.

Members of the Canadian Select Bobsled team are gearing up for the 1984 Winter Olympics in Sarajevo, Yugoslavia. Part of the financial support for the team was provided through the annual Heineken Yard, held each summer in Minden. The team members were recently presented with a cheque for \$2700 by the organizers of the race. The money was raised through entry fees and pledges obtained by some of the runners. On hand for the presentation were, from the left, front row, Dave Willis of the Rockcliffe Tavern, Kathe Needham representing Brooks Athletic Shoes another sponsor of the race, team members Greg Alford and Doug Grand, Erik Bakker the export manager for Heineken Breweries and Ian Sainsbury the race director. The team members in the back row include Gord Wolley, Kirby Best and Frank Kerr.

from the hack

by Dwight Thomas

Monday Ladies

Approximately the midway point of the first schedule, the Monday Evening Ladies league finds only fifteen points separating first from last place. Atop the league, with identical 2 - 1 - 1 records and 25 points, are the Lois Titus and Bev Wood foursomes. Third spot is shared by the Cheryl Murdoch, Marian Anderson and Toos Reid quartets, each with 20 points from 2 and 2 records. Sixth spot is occupied solely by the Sharon Kernohan team with 10 points from one victory in four games. There are no results from last week as the weather effectively cancelled the games. However, previous week's action saw Titus dump Kernohan 12 - 8 while Reid outlasted Wood 8 - 4.

Thursday mixed

The Thursday Evening Mixed league shows J. O. Jackson and team undefeated in five games. J. O. thumped the Lorne Heiss quartet 11 - 5 last week giving him 45 points from four wins and a tie. Jim Burton holds down second

spot with 30 points from a 3 - 2 record. Jim defeated Stan Blears and crew 7 - 4 to leave Stan winless and tieless in 4 outings. Heiss, meanwhile, remained tied for third place with 25 points; sharing a 2 - 1 - 1 record with Bob Austin's rink; following Bob's 13 - 3 crushing of the Bill Roodenburg team. Roodenburg has a win and a tie in four attempts, good enough for 15 points. Jerry Pillsworth's 10 points leaves him in sixth spot after drawing a bye last week.

Friday mixed

Only one game was close in Friday Evening Mixed action while the losers in the other three games were outscored 45 - 10. Jerry McKelvey, filling in for Don Blakey, built up a 5 - 0 lead after 5 ends, scoring a single point each end, but Paul Prentice rebounded by scoring two in the sixth, three in the seventh and stealing one in the eighth end for the victory. This win left Prentice with a 3 - 1 record and 30 points, good enough for third place. Blakey fell to 2 to 2 and 20 points. Top spot is held by the Bill Obee foursome who

have 4 victories in 4 outings. They gave Barry Marshall's team a curling lesson last week, running up a 20 - 1 clobbering of Barry's seventh place team. Barry has 10 points in four games. Wilf Jarvis took it on the lam also as he succumbed by a 16 - 6 score to the second place John Dicker rink.

Dicker has a 3 - 1 - 1 record for 35 points; while Wilf is pointless in four games. Dale Austin took over Ron Reid's team for the night and promptly thumped Bill Dillon 9 - 3. This left Reid with 25 points from a 2 - 2 - 1 record while Dillon fell to 2 - 1 and a tie for fifth spot. Alec Kernohan was idle this week and remains pointless in three games.

Wednesday ladies

After only three weeks of operation, the Wednesday Afternoon Ladies League finds all six teams within ten points of each other. Tied with 20 points are Louella Yearwood, Gwen Cox and Marion Ingram while sharing fourth spot at 10 points each are the rinks of Peg Pettinger, Chris Dollo

and Cheryl Murdoch.

Standings

Following are the standings for the Senior Mens League played Monday afternoons: Hal Burton 60 points; John Beachli Sr. 50 points; Harold Morgan 50 points; Jim Holmes 40 points; Les Walling 30 points; Stan Blears 30 points; Ed Pettinger 25 points; Cec Yearwood 25 points; Jack Bassett 25 points; Herb Gill 20 points; Tom Stinson 20 points; Jim Burton 20 points; Tom Hurta 15 points; George Dickie 10 points.

This is after six weeks of play as are the following standings for the Senior Mixed League played Friday afternoons: George Davidson 55 points; Ed Pettinger 45 points; Hal Burton 45 points; Harold Morgan 40 points; Tom Hurta 40 points; Cec Yearwood 40 points; Cec Riches 35 points; John Beachli Sr. 30 points; Fred Martin 25 points; George Dickie 20 points; Garnet Campbell 15 points; Al Barron 10 points; Ev Rudd 10 points and Lloyd Boskett 10 points.

Hack flak

Justin Kidding

Shellac was liberally applied in last week's resumption of the Tuesday social league, but the three recipient teams took it in stride.

John Dicker moved into first place with an 8 - 0 whitewash of the Paul Mayo crew. Feeling the last two ends would be redundant (and perhaps embarrassing), Paul chose to concede after six ends. This ploy, known as the mercy rule, is, of course, only used in extreme cases of disgrace. This leaves Paul and the boys tied for second place with 30 points, just ten points behind Dicker.

On an adjoining ice, Stan Blears donned his cloak of masochism, allowing Jack Jackson to thrash him by a 14 - 3 count. Generous Jack tempered the win by allowing Stan to score three in the final end. Stan felt that the Jackson rink, attired in kilts in celebration of St. Andrew's Day, may have distracted his team somewhat. Stan is now tied for second place while J. O. is tied for fifth spot with 20 points.

Over on ice one, the "Sock-it-to-me" kid, Jerry Pillsworth, and entourage,

buried the Dwight Thomas rink in an 11 - 2 lambasting. Perfecting the infamous "Gill-wick" to an art, Jerry left Dwight in a bewildered and dismayed state. Disallowed from using their brooms in the match, the Thomas team has launched an appeal with the Umpire-in-Chief. It will be heard in July. This game's result left Pillsworth tied for fifth spot while Thomas is tied for seventh place.

The only close game of the night was Bill Obee's 12 - 9 victory over Bill Roodenburg. As it was played on ice four, league rules do not permit the reporting of the details of this match. Due to the mob scene immediately after the game, this reporter was unable to secure any comments from the Obee team, while Roodenburg repaired to the dressing room in search of a larger broom - or so I am told. The victory moved Obee into a tie for second place while Roodenburg remained tied to seventh spot with an idle Jim Burton crew.

Due to the excess of leaders and lack of followers, the dance had to be cancelled. Bill, Dee Jay, J. P. and Bill all claimed victory in the euchre tournament.

Going South?

We have a new line of spring apparel by KORET.

The Rails' End Gallery in Haliburton has been a hive of activity in recent weeks as the annual Haliburton Highlands Guild of Fine Arts Christmas exhibition and sale of arts and crafts is on. A number of visitors examine the many works on display, including numerous items by local artisans. The show and sale continues until December 17.

Farmers elect new executive

(from page 8)

executive level. As a result the motion was carried and a new format was adopted in keeping the Haliburton County Farmers Association astride of the times.

The proposals involved some risk in expectations exceeding what will certainly be a slow process of new growth, in attempting to institute programs and activities which in addition to promoting a more vigorous agricultural program hereabouts, would demonstrate to the farming community that this is a dynamic and worthwhile organiza-

tion.

Changes include the discontinuation of our present regional representation, and an expansion of the executive committee, with a greater degree of responsibility assumed by the directors. Each director, where possible, will represent the interests of either a specific area of agricultural endeavour, or assume the responsibility for one of the programs run by the Association.

Some of the highlights include the recognition of small animal husbandry and market gardeners as burgeoning aspects of agriculture within Haliburton

County. Other programs featured include liaison with our local fair boards, a more active test plot program, the continuation and development of the farmers market, and most importantly a director who would oversee an active and high-profile 4-H program county-wide.

In all we see the next few years within the Haliburton County Farmers Association as an exciting and challenging time.

Looking ahead

The annual meeting of the Haliburton County Farmers Association will be held Tuesday, January 10 at the Minden municipal office.

The Haliburton County Farmers Association's annual banquet will be on Saturday, January 21, in the auditorium at the Minden arena. Tickets will be \$10 for adults and \$5 for children under 12. Tickets will be available soon from your area directors.

The Association is sponsoring a special draw. Tickets are available at \$1 each, and prizes include a specially prepared quilt, a \$100 bill, and a \$50 bill. All

directors will have tickets to sell, and any members wishing to sell tickets would be appreciated.

Kin korner

submitted

Past President Don Cubbage, right and Minden Kinsmen Club President Doug Ripley, left, presented Wayne Cox, President of the Minden Agricultural Society with a cheque for \$5,000 to assist in the cost of the new heated washrooms at the fairgrounds.

The Kinsmen Club was pleased to donate the funds when Wayne Cox, the driving force behind the proposal to erect the modern heated facility, suggested the project.

This new facility provides year-round service which can be rented by a service group using the fairgrounds. The facility will be used during the Minden Kinsmen Winter Carnival, the Kinsmen Demolition Derby, and ice racing, as well as other activities.

All Kinsmen events are designed to raise needed funds and help promote tourism in the community by attracting individuals to the Highlands, especially during the winter months.

The Kinsmen Club of Minden is at its best when, "We can help the community's greatest need".

1984 marks Ontario's 200th

January 1, 1984, the first day of Ontario's Bicentennial Year is quickly approaching. Across the province, schools, communities, organizations and individuals have prepared special events and celebrations to mark this historic year.

There is still time to be part of the celebration in a very personal way. A province-wide quilting contest to select a Bicentennial Quilt is taking place. The competition is open to novice and artisan alike. Entrants will be competing for prizes of \$500, \$400 and \$300, for the first three placings down to \$50 for 6-10th place, and the special highlight - the first place entry will be presented to her Majesty Queen Elizabeth II during her visit next year.

If you are interested, you will have to act fast. Entrants must register by December 31, 1983 and the quilts must be received at the Museum by May 1, 1984. There is a \$5.00 registration fee.

Further information may be obtained from the Ontario Agricultural Museum, Box 38, Milton, L9T 2Y3, or by visiting your local agricultural office. If you are a quilter, don't miss this excellent opportunity to

participate in the Bicentennial celebrations in this unique and artistic form.

Keeping records up to date

Most farmers dislike keeping records. There are two main reasons for this. First of all farmers are like the rest of us - we all prefer the action of doing something better than recording what we've done.

And secondly, farmers feel they keep records for someone else - like the income tax department.

However, some people thoroughly enjoy keeping records. They don't look on record keeping as a chore because they look forward to the results. These farmers look on records as a management tool to assist them in making decisions. In order to make decisions the records must be kept up to date, and the reports and statements based on the records are prepared quickly.

Tax Management is the goal for many farmers. In early December they will total all income and expenses up to the end of November, estimate normal cash inflow and outflow for December and estimate their capital cost allowance to arrive at an estimated net income. If this estimated income is higher than

normal, the farmer may try to increase expenses in December and delay receiving some income until January. If the estimated income is lower than normal he will want to collect all of his receivables in December and perhaps delay some payments until January.

Credit Management is the record keeping goal of other farmers. They work hard to prepare cash flow plans, to determine their term and operating loan requirements for the coming year. Those who do the best job of credit management prepare monthly cash flow statements to compare the actual results with the plan. By the end of the year, results are easily compared to the plan. With only a few more calculations, the income statements and the balance sheet can also be prepared for the year. Imagine the pleasant shock to your bank manager if you can walk into his office within a few days of year end with statements for last year and plans for next year in hand.

Each of these three groups of farmers benefit from keeping records up to date for themselves. Which of these goals do you have to encourage you to keep your farm records?

Events this week

Wednesday, December 14 - 10:00 a.m. Ontario Maple Producers Association Directors Meeting, Lindsay Agricultural Office.

Did you know?

by Ruth Foster

Did you know - that Katimavik is an Inuit word for "meeting place". It is also the name of a national volunteer youth service program operated by a non-profit organization and funded by the Department of the Secretary of State of Canada.

Katimavik volunteers work with and for Canadian communities to build or achieve valuable and lasting goals that otherwise would not have been reached.

Katimavik has four main objectives, and they are: to serve Canadian communities, to aid in the personal development of the participants, to stimulate the participants' environmental awareness and to provide participants with a greater understanding of the country.

Currently in the Haliburton Highlands, we have two groups. One is located in Minden on the Deep Bay Road, and their group leader is Scott Moody. The other is located on Highway 121 by the PineStone Inn and B. Rootham is their group leader.

These participants are between the ages of 17 and 21 and they represent a very wide cross section of Canada's population. They are indeed, from every walk of life.

The Katimavik experience will be one these people will cherish for the rest of their lives.

It will be a chance for them to meet and live with other people (outside their family) and travel, as well as learn another language. The project lasts nine months and could possibly be the

most important nine months they will experience.

If you are interested in the concept of Katimavik or would like to find out a bit more about the group you can call either B. Rootham at 457-1676 or Scott Moody at 286-3777.

Do you have a question of a social, legal, health, governmental or an environ-

mental nature? We can help.

So give us a call at 457-2733 or drop in to see us at The County Information Centre. We are located in Haliburton at the Drag River municipal building and our office hours are Monday to Friday, 10 a.m. to 4 p.m.

And remember, you will never know the answer, until you ask the question.

The Annie Cox family marked a special occasion recently at Hyland Crest Home. The occasion marked the gathering of five generations of her family. Mrs. Annie Cox is the great-great-grandmother of Leah Anderson who she holds in her lap. Other members of the family include, standing, from the left, Leah's grandmother Elaine Anderson, her great-grandmother Beulah Hewitt and her father, Larry Anderson.

Home support newsletter

by Marie Wallace
Co-Ordinator

A group of dedicated volunteers have been busy preparing a Christmas Newsletter for all seniors in Haliburton County. This is the thirteenth issue since they began working together on this project back in July of 1980.

We are hoping that if you do not already have your newsletter you will pick one up at the Home Support office, located on Maple Street in Haliburton Village, across from Emmerson Lumber. Or, if you call us we will see that you receive a copy by mail.

In this issue is a list of the noon-dinner locations of the Wheels to Meals program and the convenor in charge of reservations. This is an excellent opportunity for a

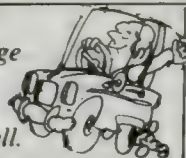

volunteer to take a shut-in out for dinner, also for new seniors to our area to get acquainted with friends.

Also printed is a list of the social activities and churches in each community, and the senior clubs in the County. Hopefully, this will assist newly retired persons become acquainted with functions of interest to them.

For those needing foot care, the clinics, dates and contact persons in the six centres where they are held are printed - keep this handy for future reference.

All senior organizations and groups are encouraged to submit items of interest to the office for publication in the next issue - spring 1984. Remember also to give us your favourite recipes for two, diabetics, etc. - it has been suggested we print a cookbook.

At Christmastime when bills are huge
Make out like Ebenezer Scrooge
Save your money, time as well,
By getting work done by Les at Shell.

"WHERE THE ACTION IS"

Norland United Church was the scene of the October 1 wedding of Wendy Pearl Marie Greer, daughter of Mr. and Mrs. Lorne Greer of R. R. 1 Norland and Peter Michael James Daly, son of Mr. and Mrs. John Daly of Scarborough.

Reverend Jack Morrison officiated at the double ring ceremony.

Soloist was Pamela Brohm. Organist was Sandra Valentine.

Marion Gartshore, sister of the bride, was matron of honour and bridesmaids were Sharon Robinson and Winnifred Danilko. Steven Dunn, friend of the groom was best man and ushers were John Daly, Scott Gartshore and Christopher Daly.

The bride was given in marriage by her father.

A reception and dance was held at the Royal Canadian Legion in Cobocok. The happy couple now reside in the Oshawa area.

senior league

by Bert Harrison

Well readers we are getting more snow every day. I guess the snow is here to stay. It is nice to have the Thompson's back for chapel service Sunday night. They have been visiting with their family in Saskatchewan, we surely missed them when they were gone. Harold always read the scripture lesson, leads us in prayer, Ruth plays and leads the singing when they are there. Rev. Burgess had a record playing the Scottish pipe, which was just fine. Sorry Mrs. Burgess Sr. is not very well at this time. As I write this letter it is nice to have Helen Lee back with us again, feeling much better.

Rev. George Elliott of Minden Anglican Church, conducted a communion service in the chapel Tuesday. He spoke of the Great Advent leading up to Christmas Day, sang some good old Christmas carols, Fred Ballard came the music to play.

Tuesday afternoon Doris showed some interesting movies, for more than one hour, Fuzzy Duff Christmas, Talented Hands, Thousand Miles and Horse Power.

Had our Christmas concert here on Wednesday night, right from the start everything turned out right. Bill Payne was our worthy M.C. and as jolly as he could be. Fred Ballard played the music and looked real cute, all dressed up in his Sunday suit. The first number was the Cremation of Sam McGee. This was really something to see. Snow White and the Seven Dwarfs was really good you know. They marched around with shovels and picks singing Hi, ho, away to work we go. Snow White played her part well too, well acted all the way through. Then represented each month of the year, an actor did appear, a shot-gun wedding for the month of June, and for the month of July an actor in a bathing suit and did not look real shy. Then the Lady and the Tramp, we laughed so hard our sides were cramped. We liked the month of December because it brought us Dear Old Santa Claus. Then all the actors lined up on the stage, we could hear them loud and clear, singing We Wish You A Merry Christmas and a Happy New Year. They all did their part so well it was surely grand, they got a well earned real good hand. Thanks to the Robertson sisters Linda and Doris, they are the ones who planned most of this for us.

Thursday afternoon the ladies of the Minden Curling Club, came to the Hyland Crest with some tasty grub served it up so nicely, with tea, milk and soft drinks. We

would like to thank the ladies of the Minden Curling Rink. Then after the Tea Party the grade 6 pupils from Archie Stouffer school who learn different subjects and the Golden Rule, came over with their teacher, a police officer too, sang some good old Christmas Carols for us. It was a real nice thing to do.

Here at Hyland Crest with lots of good entertainment we are truly blest. We had no "Sing Song" Friday afternoon, we had a quiz game instead divided into A & B teams each trying to get ahead. Answering all the questions is a lot of fun when the game was over the B team had won.

Friday night, Marilyn Stouffer and her Carol group, just took off and flew the coop. Flew down to Hyland Crest, sang for us their very best. Their pianist was Katherine Kellett and Marilyn deserves a lot of credit, for training this choral group, their voices so sweet and clear.

Wishing you all a Merry Christmas and a Happy New Year.

Could This Be Me?

Though I may seem to bemoan my lot, I'm very thankful for what I've got. I'm also grateful for what I've had - an active life since I was a lad. A loving wife to care for me. The love and respect of my family. It's through their eyes that I can see. Oh lucky me.

Bert Harrison

around the county town

Call 286-1288 — 9 a.m. - 4 p.m.

If you have any news you'd like to see in this column, please call 286-1288 Monday to Friday from 9 a.m. to 4 p.m. We'll be happy to hear from you.

Winners of the Thursday afternoon card party at St. Paul's last week were, for cribbage Lil Porter and Vera Ward and for euchre, lone hands (on a cut) Martha Mansfield. Others, May Eldridge and Flo Dollo.

Islay and Paul Warburton and Jeremy and Jason, all of Scarborough, visited with their families this weekend.

Congratulations to Freda and Jack Stacey who celebrated their wedding anniversary on the weekend.

Max and Mary McKelvey and boys are really happy on the arrival of a baby girl. Congratulations.

A large group attended the annual Christmas party for the MNR staff and guests at the community centre Saturday evening. From all reports the dance was a huge success and we understand some of our locals made their debuts on stage guided by Brenda Ellis of the Highlands Little Theatre. Sounds like a good time was had by all!

St. Paul's Thrift shop will be open this Friday, December 16, from 1 to 4 p.m. The shop will re-open early next year. Watch our for the date in this column.

The congregation of

Minden United Church joined together Sunday evening for a delicious potluck supper in the church basement. After the meal, the group went upstairs to take part in the annual White Service where they were entertained by the children of the Sunday School. The teachers and the children are to be commended for the excellent performances. The kindergarten class of course, stole the show! It was a most enjoyable evening.

Many local freezers are fuller this week thanks to the annual turkey bingos sponsored by the Catholic Women's League in Kinmount on Monday and the Minden Rotary Club on Tuesday. Congratulations to all the lucky winners.

Speaking of lucky winners - the recipients of the Christmas goodies in the weekly draw at the Brown Owl this week, were Len Robsen of Coldwater and Pat Mintz. Look for next week's super draw.

We are very sorry to report the passing of Mrs. Blanche Windsor of Carnarvon on Monday December 12 in Tampa, Florida. Our sincere sympathy to her family and friends on their loss.

We were happy to see the banners decorating Main Street and also noticed the workers getting the lights in place for Christmas. Our village is beginning to look really nice isn't it?

kid's korner

by Jean Lacey

Hi kids!

Here is another puzzle for you. Look in the diagram of letters for the words given in the list. Find them by

reading up, down, forward, backward and diagonally. They are all in a straight line and do not skip letters.

It's as easy as that. Have fun.

Q: How do you know the ocean is friendly?

A: Because it waves.

Q: How do you stop fish from smelling?

A: Cut off their noses.

Q: Why is the ocean salty?

A: Because fish don't like pepper.

What's the best kind of sea food?

A: A jelly fish.

Q: Where does a jelly fish get its jelly?

A: From ocean currents.

Q: When is a wall like a fish?

A: When its scaled.

Christmas Sale
December 9
Santa in the Gallery
1 - 2 p.m.
Music in the Gallery
2 - 2:30 p.m.

Agnes Jamieson Gallery
The gallery walls are filled with watercolours of our area. Audrey Grant and Mary Wallace spent all summer printing scenes such as: "Downtown Minden", "Ritchie Falls", "Soyers Lake", "Allsaw Homestead", "Blairhampton Outhouse", "Gull River Swimming Hole" and many more. It is a delightful exhibition, do plan to drop in and enjoy the show.
North Bobcaygeon Road
Tel.: 286-3763

CARD OF THANKS

We wish to express our deep gratitude to the very special people who came forward to assist us both financially and emotionally following our disastrous fire. It confirmed our feelings that we had come to live and work in a really wonderful area where, not only the scenery is without rival, but the residents possess a rare quality of human kindness not found everywhere. May we especially thank some of those people: The Stanhope Township Council, Mrs. Ann Barker of Carnarvon, Mr. and Mrs. Groshdal of the Clansman Motel, Carnarvon, The Kinsmen Club of Minden, our neighbours - The Carl Harrison Family, Mr. H. Harrison, Mrs. Sally Bonner, Mr. and Mrs. J. Gallagher, Mr. and Mrs. M. Scott, Mr. and Mrs. Frank Cowan, Mr. and Mrs. E. Taylor and daughter, Mrs. Phyllis Ackersblade and The Sewing Circle, Mr. and Mrs. Kerr, Kushog Lake Cottagers Association, Mr. and Mrs. Ronald Reid, Mr. and Mrs. Earl Bird, Mr. Lorne Heiss, Bernice, Bill and Tim Park Kushog Lake Marina

AT REST

WINDSOR
Christine Blanche
- at St. Joseph's Hospital, Tampa, Florida on Monday, December 12, 1983 in her 82nd year, beloved wife of Maurice B. Windsor of Carnarvon, dear mother of Garth of Hornepayne, Phyllis (Mrs. Donald Epp) of Toronto, Craig of Toronto, loving grandmother of 12 grandchildren and 3 great-grandchildren, dear sister of Bert Harrison, Myrtle (Mrs. George Cowan), Pearl (Mrs. Basil Sisson), predeceased by Arthur, Edward, Olive Miller, Gertrude Alcorn and Marjory Link. Resting at the Gordon A. Monk Funeral Home, Minden from 2:00 p.m. Thursday until 11:00 a.m. Friday, December 16th then to Zion United Church, Carnarvon for funeral service at 2:00 p.m. Spring Interment 12 Mile Lake Cemetery.

IN MEMORIAM

LINDSAY - Bill. In loving memory of a dear husband, father and grandfather who passed away December 16, 1980.

"Memory is life's sweetest gift"

Share your Memories of Christmas

Each year The Times publishes a special Christmas edition featuring poetry, prose and art from local students.

They will be contributing once again this year. We invite our adult readers to help make this edition extra special too. If you have special memories of Christmas which you'd like to share, or enjoy writing poetry or sketching a Christmas theme, we'd like to include your work with our December 21 edition.

We would appreciate receiving your submissions by December 16 and will return your work.
